

CORRIGENDUM

A genome-wide association study identifies nucleotide variants at *SIGLEC5* and *DEFA1A3* as risk loci for periodontitis

doi: 10.1093/hmg/ddx151

The authors wish to apologize for the following two errors in the original article: (i) the first name of a co-author, Huseyin Gencay Keceli, was omitted; (ii) the statement ‘This research was financially supported by the Turkish Scientific and Research Council (TUBITAK) (Grant no: 114S543)’ was omitted. These have both now been corrected online.
