

CONTENTS

CHAPTER 1 **page 9**

General Introduction and Outline of the Thesis

(adapted from) Nederlands Tijdschrift voor Geneeskunde, 2001; 145 (29): 1398-1402

CHAPTER 2 **page 45**

Prospective Comparison of Hydrogen Peroxide Enhanced 3-Dimensional Endoanal Ultrasonography and Endoanal MR Imaging for Perianal Fistulas

Submitted for publication (adapted)

CHAPTER 3 **page 65**

Transanal Advancement Flap Repair of Transsphincteric Fistulas

Diseases of the Colon and Rectum, 1999;42: 1419-22

Invited Commentary by Dr. Pedro S. Aguilar

page 74

CHAPTER 4 **page 77**

Anocutaneous Advancement Flap Repair of Transsphincteric Fistulas

Diseases of the Colon and Rectum 2001; 44: 1474-80

Invited Commentary by Dr. Richard L. Nelson

page 87

CHAPTER 5 **page 93**

Smoking Affects Outcome after Transanal Mucosal Advancement Flap Repair of Transsphincteric Fistulas

British Journal of Surgery, in press

CHAPTER 6 ***page 103***

Impact of Two Different Types of Anal Retractor on Fecal Continence after Fistula Repair: a Prospective, Randomized Clinical Trial

Submitted for publication

CHAPTER 7 ***page 113***

The Outcome of Transanal Advancement Flap Repair of Rectovaginal Fistulas is not Improved by an Additional Labial Fat Flap Transposition

Techniques in Coloproctology, 2002; 6: 37-42

CHAPTER 8 ***page 125***

Summary and Conclusions *page 126*

Samenvatting en Conclusies *page 131*

ALGORITHM FOR PATIENTS WITH PERIANAL FISTULAS ***page 137***

Dankwoord *page 140*
