

## Curriculum Vitae

Esther Kuhry was born on January 13th, 1976 in Amsterdam, The Netherlands. After graduating from high school at the Huygens Lyceum in Voorburg in 1994, she attended medical school at the University of Leiden. In November 2002, she obtained her medical degree cum laude. In 2003 and 2004, she had a research position at the Department of General Surgery of the Erasmus Medical Center in Rotterdam, The Netherlands (Prof.dr. H.J. Bonjer and Prof.dr. J. Jeekel). During this period of time she was responsible for the coordination of the COLon cancer Laparoscopic or Open Resection (COLOR) trial. She worked at the Accident and Emergency Department of the Erasmus Medical Center, The Netherlands during the first half of 2005. After this, she moved to Trondheim, Norway and in August 2005 she started her surgical residency at the Department of General Surgery of Namsos Hospital, Helse Nord-Trøndelag HF, Norway (dr. R. Gaupset).
